

AMBITENERGY®

ILLINOIS AMEREN GREEN PRODUCT ENVIRONMENTAL DISCLOSURE

Voluntary Renewable Energy Credit Purchasing

Ambit purchases renewable energy credits (RECs) to offset 100% of electric usage for customers on its Ambit Green Southeast plan. Ambit does not expect to pair any RECs from generators located in the State of Illinois and has not committed to any particular locations of generators or types of RECs at this time. As a result, below please find information regarding Ambit's Green product procured for the previous period of January 1, 2023 – December 31, 2023. The percentages listed below are above and in addition to any RECs procured by your utility to comply with the Illinois Renewable Portfolio Standard.

| REC Type | REC Generation Location | Percentage |
|---|-------------------------|-------------|
| Wind | Illinois | 100% |
| Total Voluntary REC Percentage Purchased by Ambit Energy | | 100% |
