Ambit Northeast, LLC purchases Renewable Energy Credits (RECs) for its green electricity plans and as a means of complying with the renewable energy resource benchmark under the State of Ohio’s alternative energy portfolio standard requirements. The renewable energy sources associated with RECs may include, but not be limited to, wind, solar, biomass, hydro, or other renewable energy sources. With in-depth analysis, the environmental characteristics of any form of electric generation will reveal benefits as well as costs. For further information, you may contact Ambit Energy at ambitenergy.com or by phone at (877) 282-6248 from 8:00 a.m. to 11:00 p.m. (ET), Monday – Sunday. To contact the Public Utilities Commission of Ohio (PUCO), call (800) 686-PUCO (toll-free in Ohio) or visit puc.state.oh.us.
