Public Utility Commission of Texas
Application for Chronic Condition or Critical Care Residential Customer Status

IMPORTANT INFORMATION

- This Application must be completed in order to obtain the designation of Critical Care or Chronic Condition Status with your utility.
- **This Application will not be processed and approved if incomplete, unreadable, or improperly submitted.** All information is required, unless otherwise indicated.
- For questions about this Application, call the Customer's transmission and distribution utility (TDU) during normal business hours at the phone number below:

- **Submission of this application does not automatically result in chronic condition or critical care status.** Notification of the status granted will be provided to the customer at the mailing address provided.
- Pursuant to the rules of the Public Utility Commission of Texas, designation as a chronic condition or critical care residential customer does not relieve a customer of the obligation to pay for electric service, and service may be disconnected for failure to pay.
- **Chronic condition or critical care status does not guarantee an uninterrupted, regular, or continuous power supply. If electricity is a necessity, you must make other arrangements for on-site back-up capabilities or other alternatives in the event of loss of electric service.**

INSTRUCTIONS:

- **Customer:** Complete PAGE 2 of this application, and provide to patient's physician for completion. **This application will not be approved unless submitted by fax or email by the physician to the applicable TDU.**
- Physician: After completing PAGE 3 of the following pages, please forward only PAGES 2 and 3 to the Customer's TDU indicated on the form (using fax number or email address listed above).
