3

RESIDUAL INCOME

As you build your team of Customer gathers, you begin to see the power of residual income. Ambit pays you each time a Customer pays their bill—month after month after month. The bigger your team, then more Customers you can get paid on.

Customer Residual Bonuses (CRB)

Customer Residual Bonuses (CRB) are paid to you each month for every energized Customer (except the Customers who were enrolled by downline Consultants after they code out)^{*5} in your leadership organization(s) who is in good standing and meets the minimum electricity usage^{*6} requirements to be considered a Band 1 Customer.

Leadership Level	Bonus per level	Customers Required
Regional Consultant	¥25	5
Senior Consultant	¥25	10
Executive Consultant	¥25	15
National Consultant	¥25	20
Total	¥100	

*5 Leadership Coding

Every Consultant who enrolls with Ambit Energy will be permanently stamped with a Coded Upline. This will designate who will be listed as the Regional, Senior, Executive and National Consultant for any newly enrolled MC. This is a very important part of the Ambit Energy commission system as it will also determine who receives bonuses based on the new Marketing Consultant's activity. Once a Consultant promotes to a new leadership level they develop a new organization in which they will be considered a leader for their downline. Consultants who continue to develop and promote will start a new leadership organization with each new leadership title achieved.

Example 1 : A Regional Consultant who personally sponsors a new MC will be listed as the Sponsor and Regional Consultant in the new MC's coded upline. Whoever is listed as the RC's Senior, Executive, and National Consultant will be automatically assigned as the rest of the new MCs Coded Upline.

Example 2: A National Consultant who personally sponsors a new MC will be listed in all 4 positions as the coded upline.
