

SURGE PROTECTION

Don't Let a Surge Event Zap Your Budget.

Ambit Surge Protection

A partner service provided by Allied Warranty

Ambit Energy provides more than just gas and electricity. Now we provide Customers with peace of mind, too. A single lightning strike or power surge can wipe out expensive electronics and kitchen appliances in your home, costing you hundreds to thousands of dollars. Even if your homeowner policy covers damaged items, you may still have a costly deductible.

The solution: Ambit Surge Protection — a smart, low-cost monthly plan that helps cover the costs to repair or replace major electronics and kitchen appliances damaged in a surge event.

Don't let a surge event drain your wallet. Protect your investment in electronics, computers and major appliances with Ambit Surge Protection. Sign up today.

Ambit Surge Protection Covers:

- Repair or replacement of consumer electronics, such as televisions, DVD players, game systems and computers.
- Repair or replacement of major kitchen appliances, such as refrigerators, dishwashers and ovens.
- Repair or replacement of your washer and dryer.
