

Save Every Time the Sun Rises with Ambit and Sunrun

Affordable solar for your home, brought to you by a name you trust.

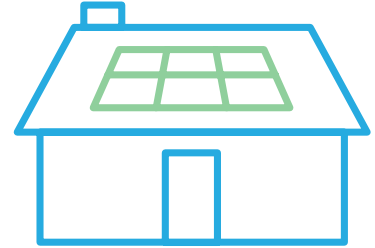

Here are just a few of the benefits that make a Power Purchase Agreement from Sunrun such a bright choice:

- A low locked in rate helps keep energy prices down over the life of your Power Purchase Agreement.
- No-hassle financing including plans for little to zero down.
- Sunrun takes care of all paperwork, installation, insurance and maintenance for the duration of your agreement.
- With a Power Purchase Agreement, you only pay for the power, not the panels. Financing and Leasing options are also available depending on market and location.
- A custom solar energy system designed for your home.
- Clean energy that's as good for the earth as it is for your wallet.

Best of all, you can sign up for solar through your local Ambit Energy Independent Consultant, the same person you already trust for your energy needs.

How to Go Solar

Here are a few questions to consider if you're thinking about going solar. Do you:

- Own your own home?
- Have high electricity usage?
- Have a roof with good sun exposure?

If you answered "yes" to these questions, then solar might be right for you.
