

IF YOU'RE GOING GREEN, GO CERTIFIED.

CHOOSE THE AMBIT CERTIFIED GREEN NORTHEAST PLAN

Ambit Energy respects our Customers and the environment, so we're proud to offer a green energy product that promotes renewable energy generation. We're also proud to be Green-e Energy certified as a provider of renewable electricity, which means when you choose the Ambit Certified Green Northeast Plan, you'll be assured to reduce the environmental impact of the energy you use.

The Green-e Energy logo is more than just decoration; it means that an independent third party certified the product meets strict consumer-protection and environmental standards. Not everyone can display this logo. Ambit can.

We make it easy to go green. There's no cost to switch, no contracts are required and no cost to switch back.

GREEN HAS ITS BENEFITS.

When you choose the Ambit Certified Green Northeast Plan, you also get all the benefits of being an Ambit Customer.

- **Great Value** – All Ambit plans give you great rates. But when you add in our world-class Customer service and other benefits, our plans give you the best value in the business.
- **Travel Rewards** – Earn points for kilowatt hours used, then redeem them for incredible travel packages. We even give you a 3-day/2-night hotel stay just for signing up.
- **Free Energy** – Just refer 15 or more Customers to Ambit, and earn a Free Energy credit – on every bill – up to your total energy costs.

Go green with Ambit Energy!
