Reason to Request Proof of Payment

Notes

The proof of payment in PDF format will be sent by email as an attachment. If you would like the proof of payment to be mailed to you, make the request on the Notes section above.

Starting June 15, 2020, there will be an issuance fee for proof of payment. Issuance fee will be added to your electricity bill the following month or the month after next. If you have already canceled service, please pay using the payment slip that will be mailed to you.

Issuance fee: JPY 700 (plus consumption tax)/copy

* Payment for chosen 12 months will be on the proof of payment. An issuance fee will be charged for each copy.

*If you need proof of payment for multiple accounts, you will be charged an issuance fee per account.

Revenue stamp fee: This fee will vary depending on the payment amount on the certificate.

*If the payment amount on the certificate is JPY 50,000 or more and less than JPY 1,000,000, the revenue stamp fee is JPY 200 per copy. However, this fee is not required for Customers who choose to receive proof of payment by email, as electronic documents are non-taxable.
