Ambit AC/Heat Shield

A partner service provided by Allied Home Warranty

Ambit Energy provides more than just gas and electricity. Now we provide Customers with peace of mind, too. Each year, many homeowners face unexpected costs to repair or replace heating and cooling systems. These necessary expenses may cost thousands and quickly put a strain on the family budget.

The solution: Ambit AC/Heat Shield — a smart, low-cost monthly plan that helps cover the costs of home AC/heater replacement, repair or seasonal tune-ups to keep your system running.

Guard your family — and your wallet — from expensive AC/heater surprises. Sign up for AC/Heat Shield today.

Ambit AC/Heat Shield Covers:

- All components and parts that affect operation on up to two complete systems, such as compressors, air handlers, furnaces, coils, motors, capacitors and thermostats.
- Leaks in accessible refrigerant line sets and ductwork.
- Includes seasonal tune-up visits on up to two systems.
